H2O ENGINEERING & TECHNOLOGIES

(An ISO 9001 : 2015 & 14001 : 2015 Certified Company)

Who We Are

H2O Engineering and Technologies (H2O) is a distinguished EPC Contract Company specializing in Water & Waste Water Treatment. Established in 2013, our foundation is rooted in the vision of fostering sustainable growth within industries. Headquartered in Kolathur, Chennai, we proudly hold ISO 9001:2015, ISO 14001:2015, MSME, and NSIC certifications, reflecting our unwavering commitment to excellence.

With over a decade of experience and team of skilled engineers with extensive professional and technical backgrounds, We excel in providing innovative solutions to industry challenges, upholding the values of honesty, integrity, and a relentless pursuit of service quality.

H2O offers comprehensive solutions for all Water and Waste Water Treatment needs, having a proven track record in the supply and erection of WTP, STP, ETP, ZLD, UF, RO and DM plants, complemented by efficient operation and maintenance services.

Our Associated Partners

Livpro[®]tec
RESTORING EARTH'S HEALTH

Aquatron[®] is the next generation solution for wastewater and water recovery that utilizes the principles of physics to convert TDS to TSS, which can then be filtered using current filtration methods. The recovered water can be used back in the process. The technology also offers a new approach to ZLD with minimal reliance or elimination of evaporators, while ensuring higher adherence to ZDHC norms.

praj | HiPurity Systems

Purified water Generation and Distribution System, Water For Injection (WFI), Pure Steam Generator (PSG) for Pharmaceutical Industries.

ION EXCHANGE
Refreshing the Planet

Zero B Alkaline & Hydrogen Water Crafter.

Our Services

Design, Detailed Engineering, Supply, Erection and Commissioning of

**Water
Treatment Plant (WTP)**

**Sewage
Treatment Plant (STP)**

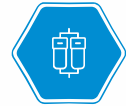

**Effluent
Treatment Plant (ETP)**

**Ultra
Filtration Plant (UF)**

**Reverse
Osmosis Plant (RO)**

**DM & EDI
Plant**

Softener Plant

**Iron Removal
Plant (IRF)**

**Zero B Alkaline &
Hydrogen water Crafter.**

**Zero Liquid
Discharge Plant (ZLD)
- Conventional**

**ZLD without
Evaporator (Aquatron)**

**High Purity Water
Generation
& Distribution System,
WFI, PSG.**

We can supply

Membranes (MBR, UF, RO)

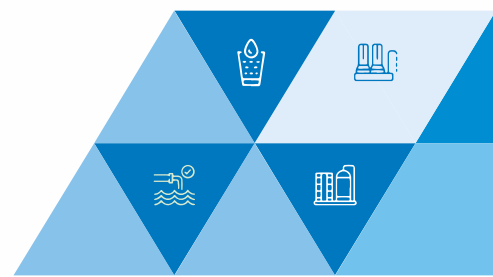

Chemicals & Consumables for Water
and Waste Water Treatment Plants.

Pumps & Motors

Air Blowers, Aerators & Diffusers.
